**PLANNING AND ZONING MEETING
THURSDAY, NOVEMBER 19, 2020
CITY COUNCIL CHAMBERS**

These minutes are a summary of the meeting. For full details view online at www.casperwy.gov on the Meetings and Agendas web page. The Planning and Zoning Commission held a meeting at 6:00 p.m., on Thursday November 19, 2020, in the Council Chambers, City Hall, 200 North David Street, Casper, Wyoming.

Members Present: Bob King
 Susan Frank
 Fred Feth
 Terry Wingerter
 Chuck Davis

Absent Members: Randy Hein
 Erik Aune

Others present: Craig Collins, City Planner
 Dee Hardy, Administrative Support Technician
 Wallace Trembath, Deputy City Attorney
 Bob Hopkins, Council Liaison
 Latisha Lewis, 2230 East 17th Street

I. MINUTES OF THE PREVIOUS MEETINGS

Chairman King asked if there were additions or corrections to the minutes of the October 15, 2020 Planning & Zoning Commission meeting.

Chairman King called for a motion to approve the minutes of the October 15, 2020 Planning & Zoning Commission meeting.

Mr. Davis made a motion to approve the minutes of the October 15, 2020 meeting. The motion was seconded by Mr. Feth. All those present voted aye. Motion carried.

II. PUBLIC HEARING

The Chairman advised the applicants that it takes four (4) affirmative votes to carry any motion not just a majority of those commission members present. Anything less than four (4) votes is a denial. Applicants can postpone their Public Hearing until next month in anticipation of more Planning Commission members being present, if they so desire.

PLN-20-036-C – Petition for a Conditional Use Permit to increase the capacity of a home-based childcare from eight (8) children to a maximum of fifteen (15) children (Family Child Care Center/Zoning Review), on Lot 38, Block 1, Sage Knolls, located at 2230 East 17th Street. Applicant: Latisha Lewis, dba 307 Playhouse.

Craig Collins, City Planner presented the staff report and entered six (6) exhibits into the record for this case. The staff report recommends the following Conditions:

1. The applicants shall maintain a minimum of two (2) open, paved, off-street parking spaces for use by daycare customers to load and unload children off-street, during the hours when the daycare is in operation.
2. Pursuant to Section 17.12.140(A)(2) of the Municipal Code, signage for all home-based childcares shall be limited to only signage that is non-illuminated, attached flush with the dwelling, and not exceeding one square foot in area.
3. The family childcare center is approved as a secondary, accessory use of the property. The primary use of the property shall remain single-family residential, which is a permitted use in the R-1 (Residential Estate) zoning district. Therefore, the operator of the family childcare center must live at the subject property. If the operator of the family childcare center is found not to be residing on the premises, the Conditional Use Permit may be immediately revoked by the City, pursuant to Section 17.12.240(J) of the Casper Municipal Code.
4. Pursuant to Section 17.12.240(M)(3) of the Casper Municipal Code, the Conditional Use Permit shall be granted to the childcare provider, and shall not attach to the land. The Conditional Use Permit shall not be transferred from one location to another, and shall not be transferrable from one childcare provider to another.

Chairman King opened the public hearing and asked for the person representing the case to come forward and explain the application.

Latisha Lewis, 2230 East 17th Street, spoke in favor of this case.

Chairman King asked Ms. Lewis if the four (4) Conditions listed in the staff report were acceptable.

Ms. Lewis replied that the four (4) Conditions listed in the staff report were acceptable.

Mr. Wingerter asked if the children attending her daycare were from the area, and did any walk to her home from school?

Ms. Lewis advised that the children attending her day care live nearby her home, and at the present time there are not any that walk to her home from school.

Mr. Davis inquired about the fencing around her backyard and if it was a privacy fence?

Ms. Lewis advised that the fence was a privacy fence on three (3) sides and chain link on one side, where her deck is located.

Mr. Frank asked for clarification that Ms. Lewis did not want fifteen (15) children in her home at all times, but she needed the increase, in the number of children, to accommodate overlapping time with part-time children?

Ms. Lewis stated she needed the increase, in the number of children, to accommodate overlapping times. She noted that there is a very slim chance there would be fifteen (15) children there at one time.

Chairman King asked if there was anyone in the audience wishing to speak in favor of or opposition to this case?

There being no one to speak Chairman King closed the public hearing and entertained a motion to approve, deny or table PLN-20-036-C.

Ms. Frank made a motion to approve case PLN-20-036-C with Conditions #1-4, for the two (2) Reasons, and Findings A-F listed in the staff report. The motion was seconded by Mr. Wingerter.

Discussion:

Mr. Feth asked staff if the letter sent in opposition from Mr. Bennett stated why he was opposed?

Mr. Collins advised that he did not speak with Mr. Bennett and did not have an answer.

Chairman King noted that Mr. Bennett lives a block away from the daycare.

Mr. Feth inquired about the number of children in the nearby home and commercial daycares?

Mr. Collins stated the number of daycares in the immediate area was the only information solicited.

All those present voted aye with the exception of Mr. Davis who voted nay. Motion Carried.

IV. COUNCIL ACTIONS:

The following item(s) have been approved by the City Council since the last Planning and Zoning Commission meeting.

V. SPECIAL ISSUES:

There were none.

VI. COMMUNICATIONS:

- A. Commission:
There were none.
- B. Community Development Director:
Dee Hardy, Administrative Support Technician, invited the Planning and Zoning Commission, and prospective Commissioners to a training to be held Wednesday, December 2, 2020, 12:00 noon, Downstairs Meeting room. She stated that WYOPASS will provide the training, and lunch will be served.
- C. Council Liaison:
Bob Hopkins stated he appreciates the Commission and thanked them for all the work that they do. He noted that home daycares are needed now during the pandemic.
- D. OYD and Historic Preservation Commission Liaisons
Mr. Feth stated that he did not have anything to report this evening.

Casper Historic Preservation Commission Liaison

Mr. Wingerter advised that the Commission is working on an App with Casper College. He asked Mr. Collins if Dr. McGinley attended a previous meeting to share his plans for the former Wells Fargo Bank Building?

Mr. Collins advised that Dr. McGinley did attend the October 19, 2020 Historic Preservation Meeting to share his plans for the former bank building. He stated that there are not any plans to tear down the tower.

Chairman King and Ms. Frank both complimented the Minutes for the Casper Historic Preservation Commission with the details of Dr. McGinley's plans.

E. Other Communications:

Mike McIntosh introduced himself to the Commission. He will be joining the Planning and Zoning Commission in January, 2021.

Chairman King stated that the next Planning and Zoning Commission meeting will be held Thursday, December 17, 2020.

VII. ADJOURNMENT

Chairman King called for a motion for the adjournment of the meeting. A motion was made by Ms. Frank and seconded by Mr. Wingerter to adjourn the meeting. All present voted aye. Motion carried. The meeting was adjourned 6:32 p.m.

SUBJECT: **PLN-20-029-RZ** – A plat creating the Trails West Estates No. 4 Addition, consisting of a vacation and replat of Lots 1-4, Block 16, Cottonwood Addition, the W1/2 of Lot 15 and Lots 16-19, Block 17, Trails West Estates, and Lot 20A, Block 17, Trails West Estates No. 3, and Lots 8-14, Block 17, Trails West Estates No. 2, and the Westerly Portion of Indian Scout Drive; AND a petition for a zone change of (existing) Lots 1-4, Block 16, Cottonwood Addition, from Zoning Classification PUD (Planned Unit Development) to R-1 (Residential Estates). Applicant: Anij Indigo, Trustee of the Anij Indigo Living Trust, dated April 11, 2018, and Charles J. Pater. (*P&Z continued to the December 17, 2020 meeting*).

Recommendation:

If, after hearing public testimony and considering the facts of the case, the Planning and Zoning Commission finds that the vacation and replat creating Trails West Estates No. 4 meets the minimum requirements of the Municipal Code, staff recommends approval, with a “do pass” recommendation to City Council, with the following condition:

1. Whispering Springs Road shall be constructed to City standard specifications as a public street, including the construction of a fifty (50) foot minimum (radius) cul-de-sac at the terminus, within one (1) year, unless Whispering Springs Road is formally vacated as a public right-of-way.

Code Compliance:

Staff has completed all public notice requirements of Section 16.24 of the Casper Municipal Code pertaining to plats, including notification of property owners within three hundred (300) feet by first class mail, posting a sign on the property, and publishing a legal notice in the Casper Star-Tribune. At the time the staff report was prepared, **staff previously received one (1) written public comment on this case; however, the author of that letter is now a co-applicant for this request.**

Summary:

In October, the Planning and Zoning Commission considered a replat creating the Trails West Estates No. 4 Addition, and voted to continue the request to the December 17th public hearing in order to encourage the broadening of the application to include the properties of an adjacent owner, Charles Pater. As per the directive of the Planning and Zoning Commission, the area involved in the plat has been enlarged significantly, and neighboring property owners have been re-notified of the changes.

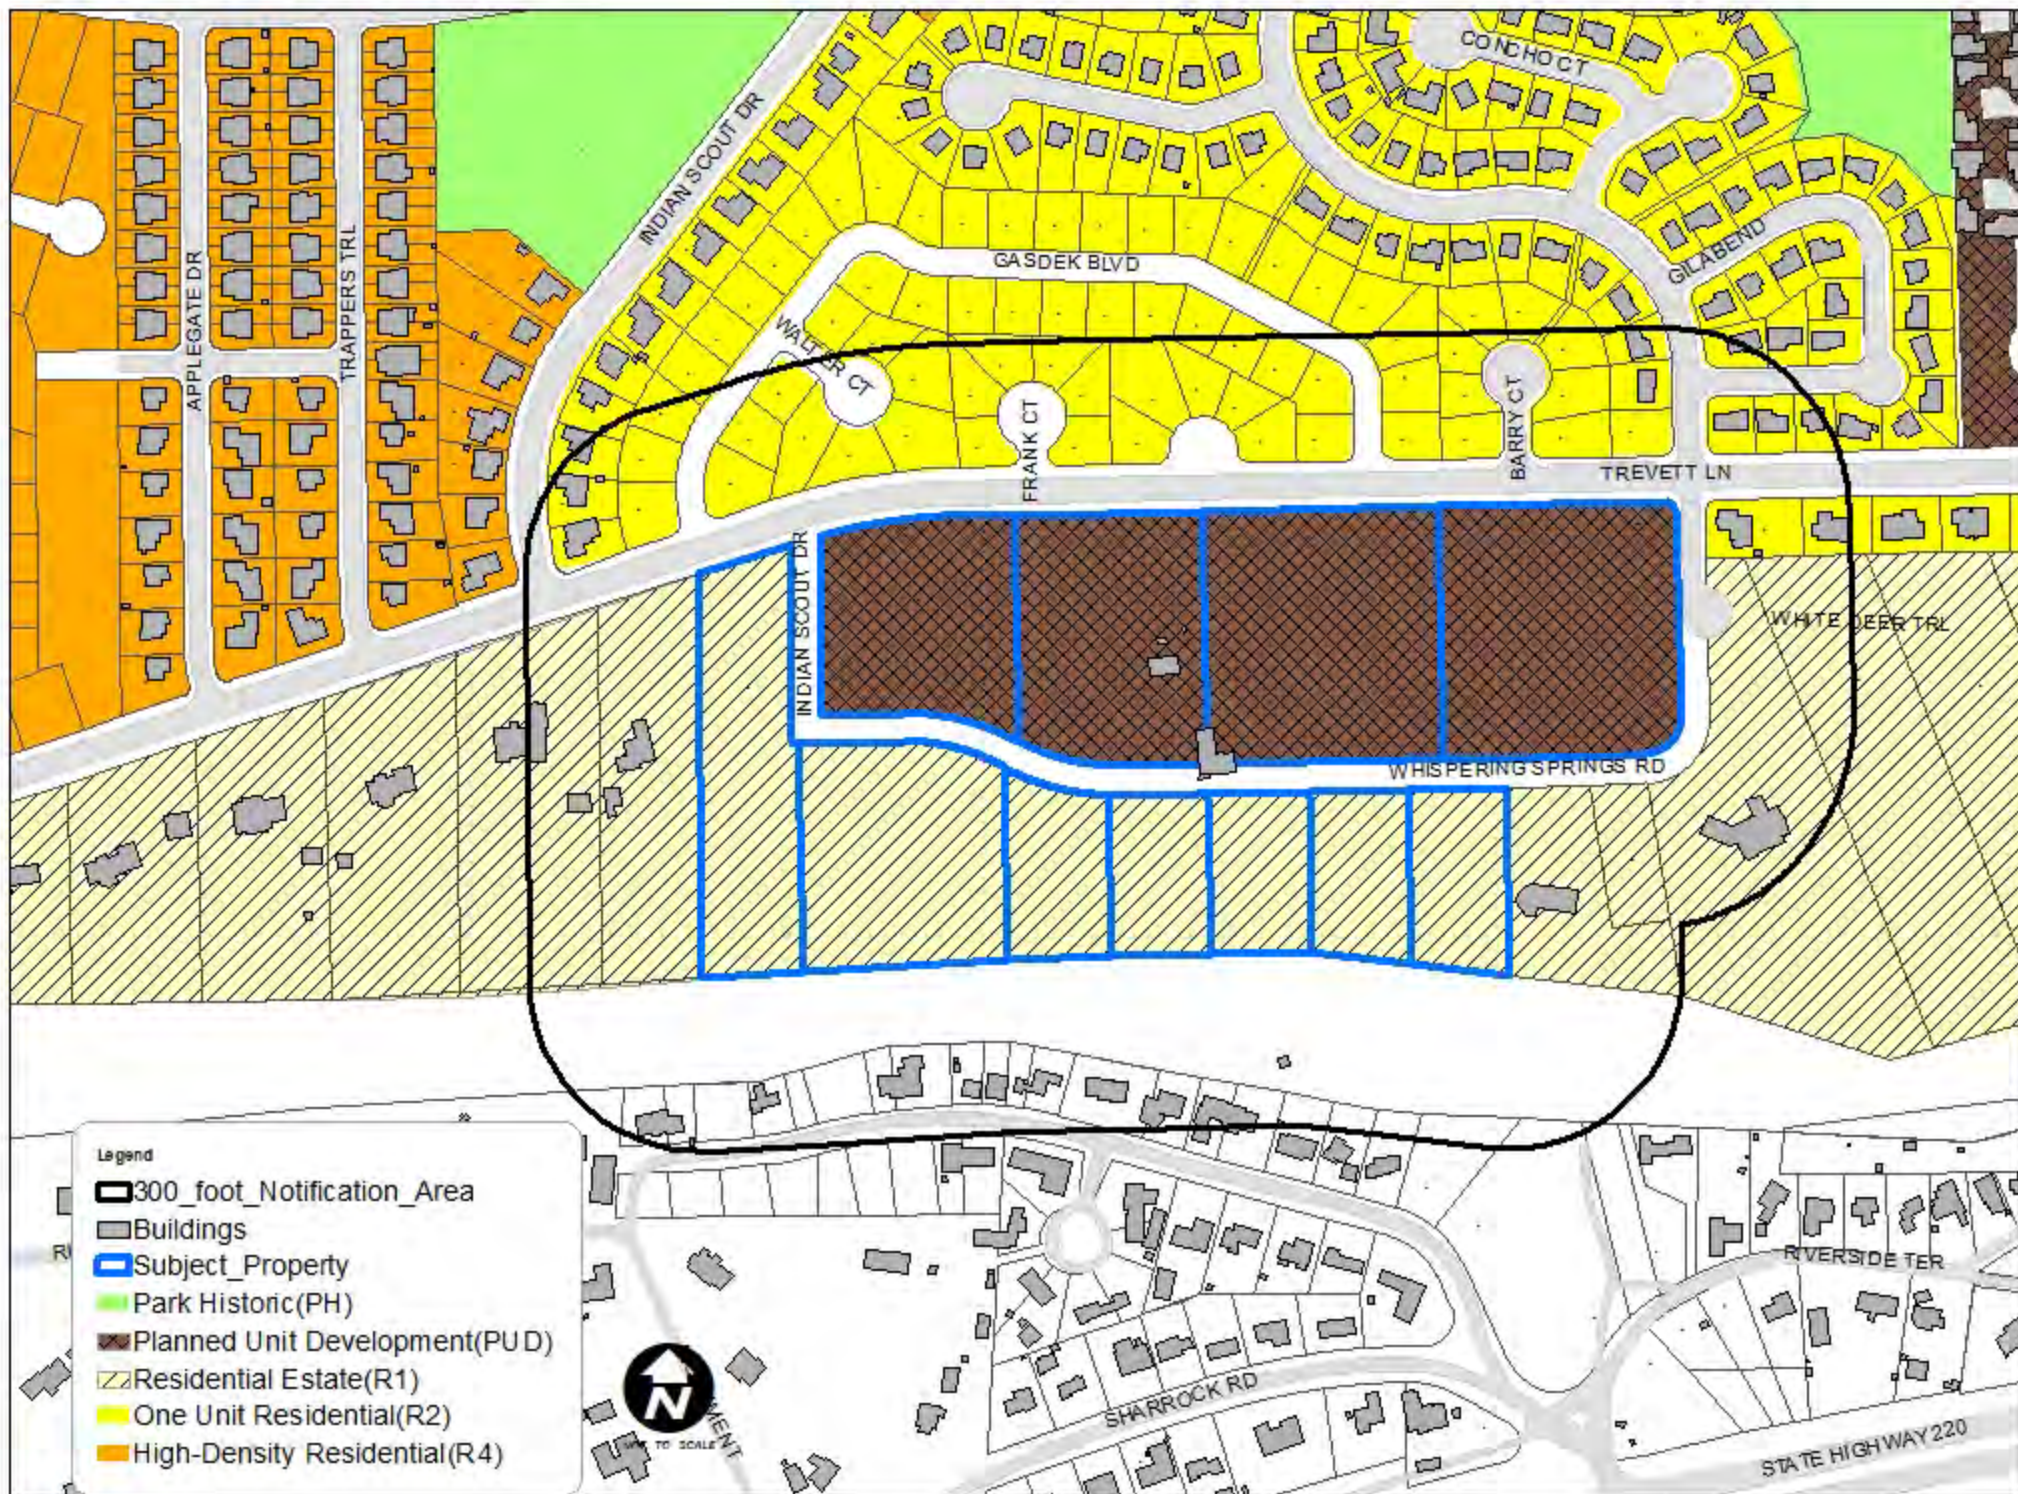

The revised plat now encompasses 27.11-acres, more or less, vacates the western portion of Indian Scout Drive, and is creating seventeen (17) newly configured residential lots. In that the property involved currently consists of both R-1 (Residential Estate) and PUD (Planned Unit Development) zoning, the application also includes a zone change to consolidate all the zoning into R-1 (Residential Estate). All proposed lots in the newly configured subdivision are currently undeveloped, with the exception of Lot 17, which is Mr. Pater's current residence. All proposed lots meet or exceed the minimum 9,000 square foot lot minimum in the R-1 (Residential Estate) zoning district, and all have direct access/frontage on a public street.

Staff has included one recommended condition that requires the construction of Whispering Springs Road, including a cul-de-sac at the west end, if the street is not vacated within one (1) year. Currently, Whispering Springs Road terminates at the intersection of White Deer Trail, and the undeveloped right-of-way to the south of that intersection functions as more of a private driveway to Mr. Pater's property than a public roadway. Mr. Pater has expressed a desire to vacate Whispering Springs Road; however, in order to move this plat forward, the City staff suggests the deferral of the vacation to a later date. If the street vacation doesn't occur within a year, the Whispering Springs will be required to be constructed to in order to comply with Fire Department public street/access requirements.

SUBJECT: **PLN-20-025-R** – A plat creating Highland Park Cemetery Addition No. 2, consisting of a vacation and replat of Highland Park Cemetery, and incorporating un-platted portions of the N1/2SE1/4 of Section 10 T33N, R79W, 6th PM, Natrona County, Wyoming. Applicant: City of Casper.

Recommendation:

If, after hearing public testimony and considering the facts of the case, the Planning and Zoning Commission finds that the vacation and replat creating Highland Park Cemetery Addition No. 2 meets the minimum requirements of the Municipal Code, staff recommends approval, with a “do pass” recommendation to City Council.

Code Compliance:

Staff has completed all public notice requirements of Section 16.24 of the Casper Municipal Code pertaining to plats, including notification of property owners within three hundred (300) feet by first class mail, posting a sign on the property, and publishing a legal notice in the Casper Star-Tribune. At the time the staff report was prepared, **staff has not received any written public comments on this case.**

Summary:

The City of Casper is the applicant for the requested plat creating the Highland Park Cemetery Addition No. 2. The area involved encompasses 73.09-acres, more or less, of a mix of both platted and unplatted properties, located generally east of South Conwell Street, between East 4th Street and East 12th Street. The purpose of the plat is to clarify legal descriptions of approximately 29,450 burial plots, and to incorporate previously unplatted property into the cemetery at the south end. Pursuant to Title 35, Chapter 8 of the Wyoming State Statutes, cemeteries are required to be formally platted as legal subdivisions.

MEMO TO: Bob King, Chairman
Members of the Planning and Zoning Commission

FROM: Liz Becher, Community Development Director
Craig Collins, AICP, City Planner

SUBJECT: **PLN-20-037-R** – A plat creating Kensington Heights Addition No. 2, consisting of a vacation and replat of Kensington Heights Addition No. 1, Lots 5, 6 & Tract B, Block 4. Applicant: Kensington Heights Investments, LLC.

Recommendation:

If, after hearing public testimony and considering the facts of the case, the Planning and Zoning Commission finds that the vacation and replat creating Kensington Heights Addition No. 2 meets the minimum requirements of the Municipal Code, staff recommends approval, with a “do pass” recommendation to City Council.

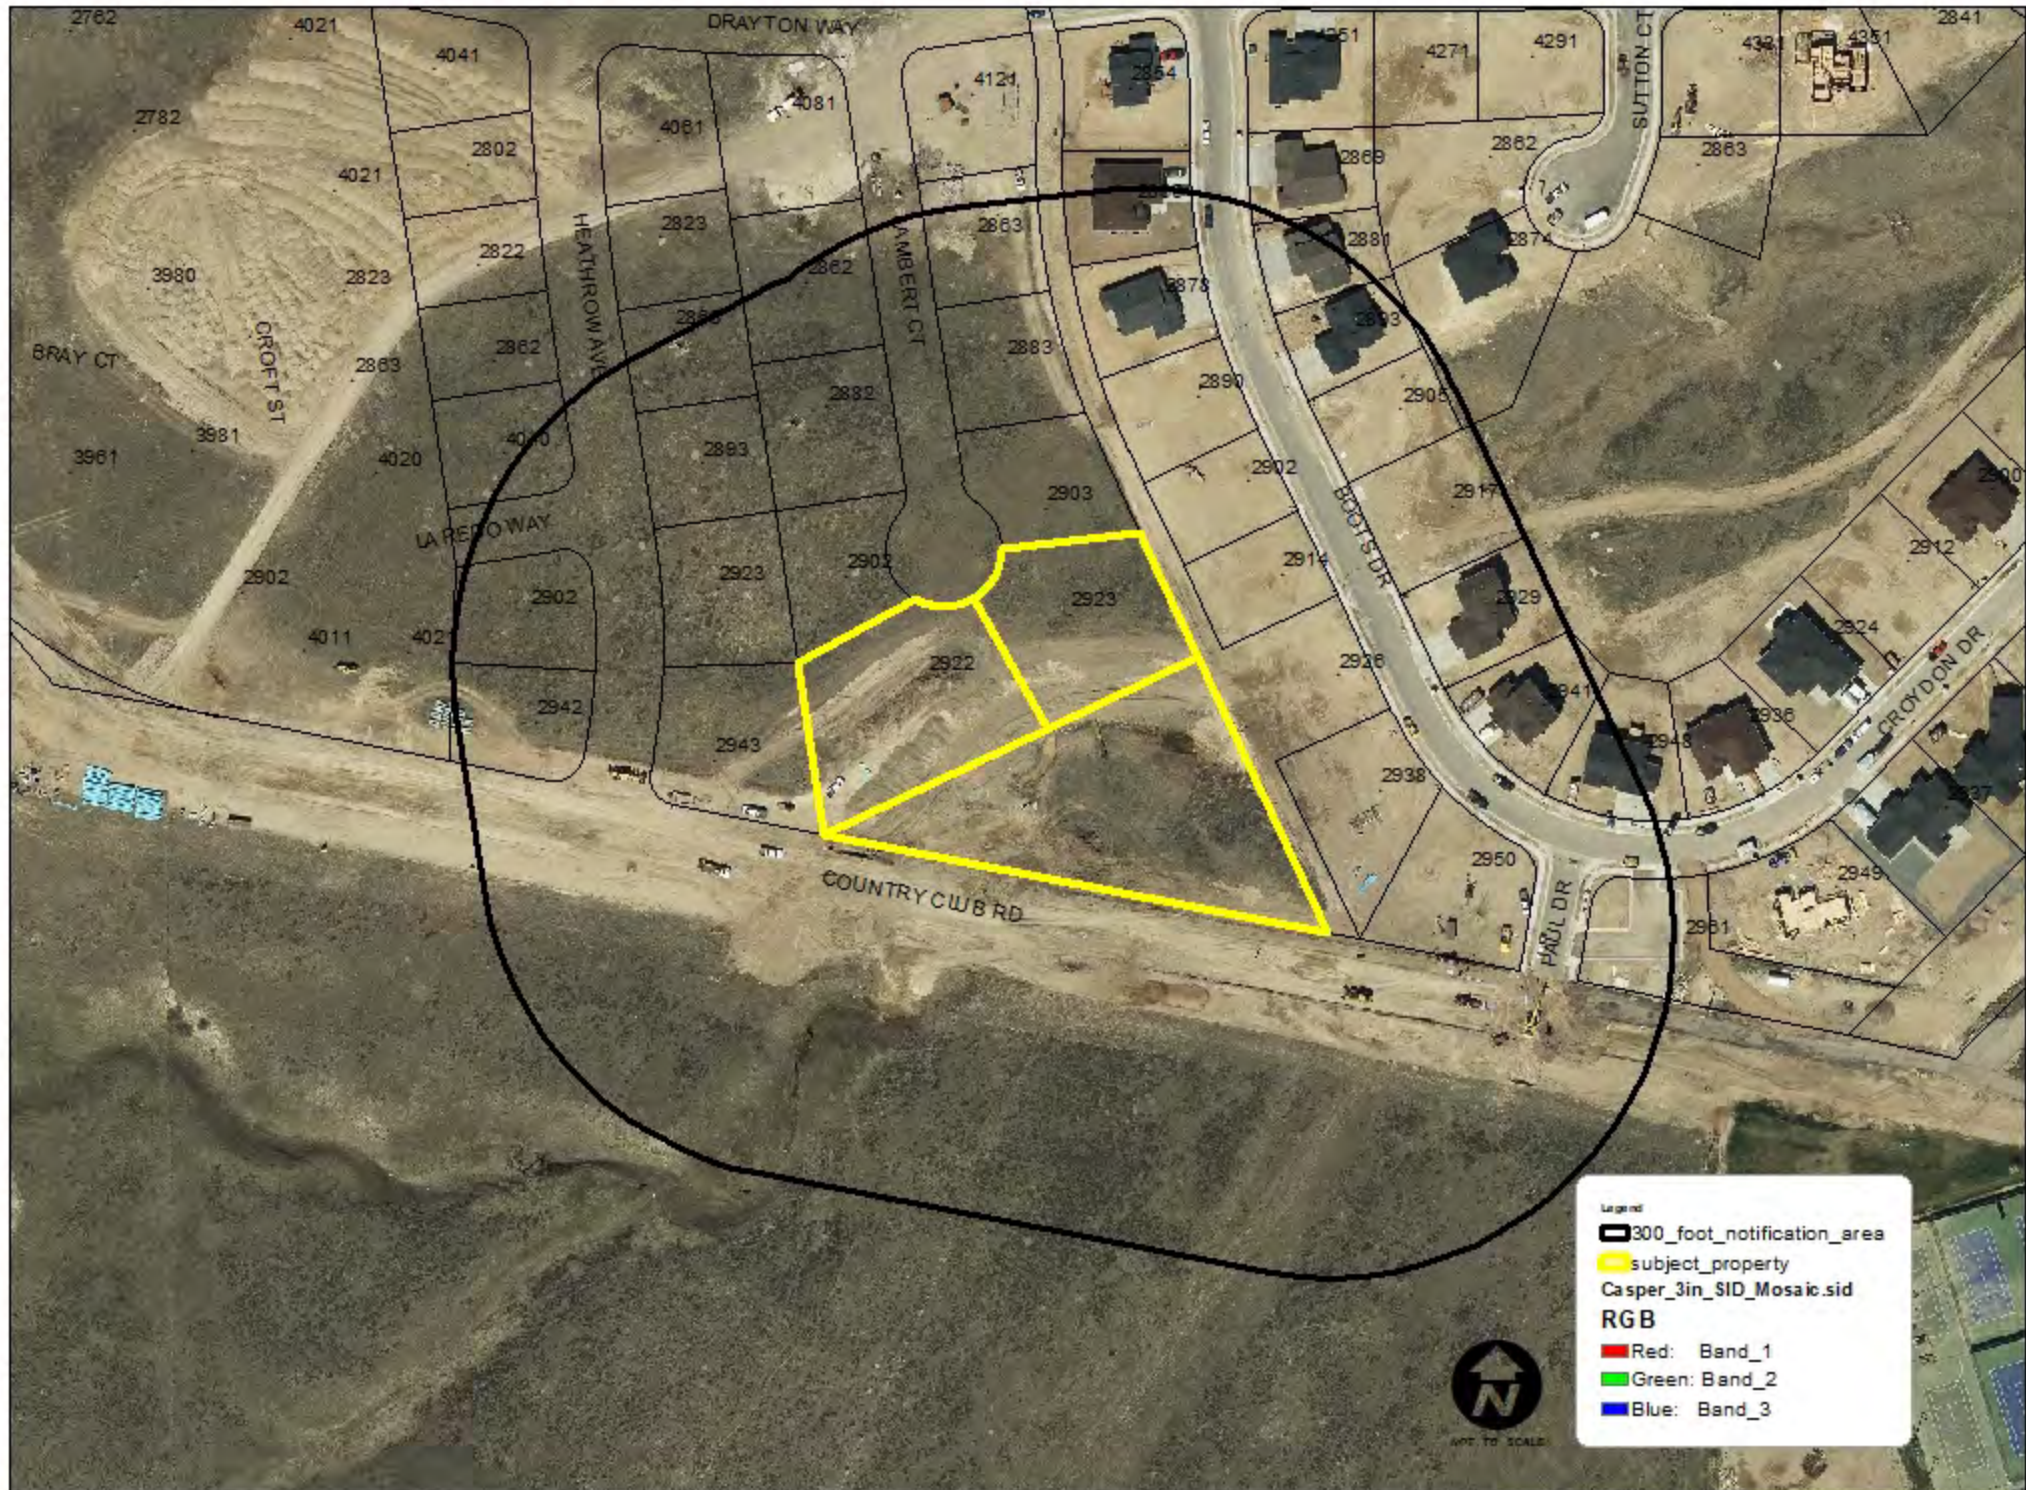

Code Compliance:

Staff has completed all public notice requirements of Section 16.24 of the Casper Municipal Code pertaining to plats, including notification of property owners within three hundred (300) feet by first class mail, posting a sign on the property, and publishing a legal notice in the Casper Star-Tribune. At the time the staff report was prepared, **staff has not received any written public comments on this case.**

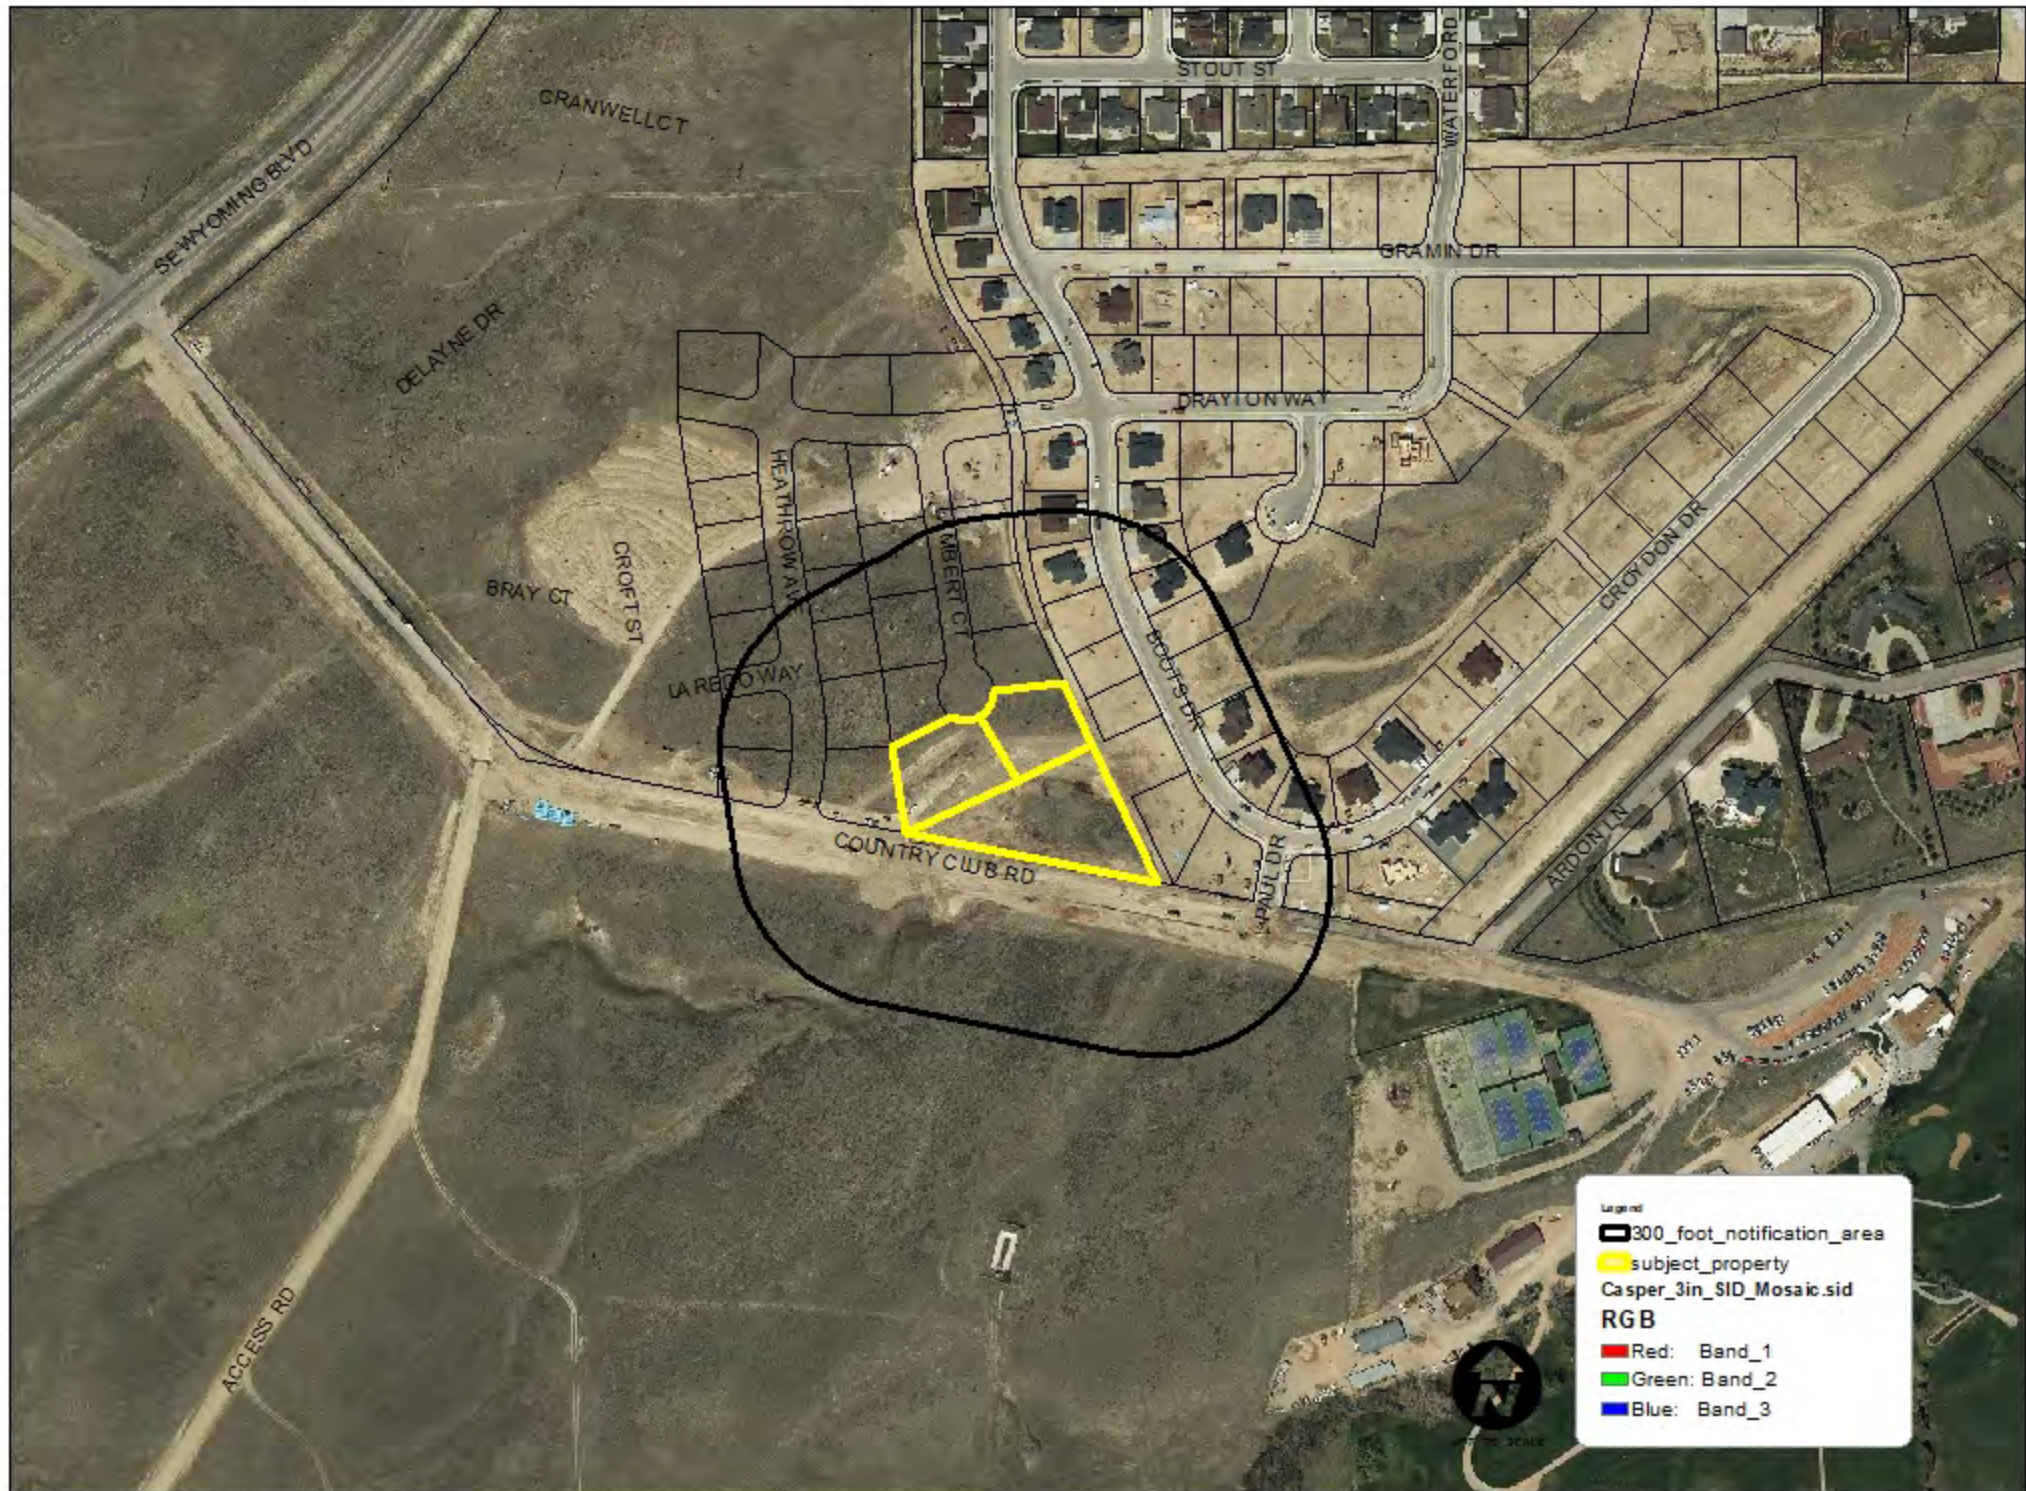

Summary:

An application has been received for a vacation and replat creating Kensington Heights Addition No. 2. The replat involves three (3) platted, but undeveloped lots, encompassing 2.18-acres, more or less, located north of Country Club Road, at the south end of Lambert Court. Two (2) of the lots are developable, and one (1) is a drainage/detention lot. The property is zoned R-2 (One Unit Residential). The purpose of the replat is to enlarge the two (2) developable lots (proposed Lots 1 & 2), by incorporating portions of the drainage/detention lot into them. The minimum lot size in the R-2 (One Unit Residential) zoning district is 4,000 square feet, and all proposed lots in Kensington Heights Addition No. 2 exceed that requirement.

MEMO TO: Bob King, Chairman
Members of the Planning and Zoning Commission

FROM: Liz Becher, Community Development Director
Craig Collins, AICP, City Planner

SUBJECT: **PLN-20-038-C** – A request for a Conditional Use Permit to construct an accessory dwelling unit (ADU) within a detached garage, in an R-2 (One Unit Residential) zoning district, on Lot 10, Block 137, Casper Addition, located at 904 South Lincoln Avenue. Applicant: Deborah Ann Gillihan (Clark).

Recommendation:

The Planning and Zoning Commission **may** approve the requested Conditional Use Permit after consideration of public testimony and the facts of the case, as presented during the public hearing:

1. If all minimum regulations/standards of the Municipal Code are satisfied; and,
2. After consideration of any relevant factors, including, but not limited to those articulated in Section 17.12.240(H) (*outlined below*), and upon finding that the request is in keeping with the two (2) findings listed in Section 17.12.240(G), (*outlined below*).

Should the Planning and Zoning Commission vote to approve the requested Conditional Use Permit, staff recommends the inclusion of the following two (2) conditions:

1. Either the principal dwelling unit, or the accessory dwelling unit, shall always be occupied by the owner of the property, or their immediate family member.
2. A minimum of four (4) off-street parking spaces (two (2) per dwelling unit) shall be provided on the property.

Code Compliance:

Staff has completed all public notice requirements of Section 17.12.240 of the Casper Municipal Code pertaining to Conditional Use Permits, including notification of property owners within three hundred (300) feet by first class mail, posting a sign on the property, and publishing legal notice in the Casper Star-Tribune. **Staff has not received any public comments on the proposal.**

APPLICABLE REGULATIONS & STANDARDS

- Section 17.08 – Definitions: “Accessory Dwelling Unit” means a habitable living unit added to, created within, or detached from a single-family dwelling unit that provides basic

requirements for living, sleeping, eating, cooking and sanitation. Either the principal dwelling unit or the accessory dwelling unit must be occupied by an owner of the property, or an immediate family member of the property owner. An accessory dwelling unit shall not be subdivided or otherwise segregated in ownership from the principal dwelling unit.

- Section 17.32.030 – “Accessory Dwelling Unit” listed as a Conditional Use in the R-2 (One Unit Residential) zoning district.
- Section 17.12.080 – A minimum of two (2) off-street parking spaces are required per dwelling unit.
- Section 17.12.240(I) – In any case in which a Conditional Use Permit has not been exercised and the work completed within one (1) year from the date of issuance, such permit shall be void, and have no further force or effect.

RELEVANT FACTORS

Section 17.12.240(H) - In making its findings, the Commission shall consider any relevant factors, including, but not limited to, the following, if applicable to the proposed use:

- a. Area and height to be occupied by buildings or other structures.
- b. Density of the proposed use in terms of units per acre and the number of offices, employees, occupants, or all three.
- c. Volume of business in terms of the number of customers per day.
- d. Increased traffic congestion or hazard caused by the use which may be over and above normal traffic for the area, as determined by the City Engineer and Community Development Director.
- e. Location of use with respect to the same or similar uses within a three hundred foot (300') radius of the perimeter of the described property.
- f. Any other criteria affecting public health, safety, and welfare, as provided for by written rules of the Commission.

REQUIRED FINDINGS

Section 17.12.240(G) of the Casper Municipal Code states that no conditional use permit shall be granted unless the Commission finds the following:

1. The Conditional Use is consistent with the spirit, purpose, and intent of this Title; will not substantially impair the appropriate use of neighboring property; and will serve the public need, convenience, and welfare;
2. The Conditional Use is designed to be compatible with adjacent land uses and the area of its location.

GUIDANCE ON CONDITIONS

Pursuant to Section 17.12.240(I) of the Casper Municipal Code, the Commission may impose reasonable conditions on a Conditional Use Permit, including, but not limited to, time limitations, requirements that one or more things be done before construction is initiated, or conditions of an ongoing nature. By way of illustration, not limitation, the following limitations or modifications can be placed upon a Conditional Use Permit, to the extent that such conditions are necessary to ensure compliance with the criteria of Section 17.12.240(G) and (H):

1. Size and location of site;
2. Street and road capacities in the area;
3. Ingress and egress to adjoining public streets;
4. Location and amount of off-street parking;
5. Internal traffic circulation systems;
6. Fencing, screening, and landscaped separations;
7. Building bulk and location;
8. Usable open space;
9. Signs and lighting; and,
10. Noise, vibration, air pollution and other environmental influences.

Summary:

Deborah Ann Gillihan has applied for a Conditional Use Permit to construct an accessory dwelling unit (ADU) within a detached garage, in an R-2 (One Unit Residential) zoning district, located at 904 South Lincoln Avenue. The applicant proposes to replace an existing detached garage with a 26'x32' garage, including a 541 square foot residential loft. The property is located at the southwest corner of the intersection of Divine Avenue and South Lincoln Avenue, and is approximately 8,400 square feet in size. The minimum lot size in the R-2 (One Unit Residential) zoning district is 4,000 square feet.

The concept of "Accessory Dwelling Units" was added to the Municipal Code in 2008 in order to address society's changing housing needs, by providing for concepts such as caretaker residences, to allow for aging in place, or for situations where a family member may want to live somewhat independently, but may require periodic supervision/care. The purpose of allowing for ADU's as a Conditional Use, rather than as a permitted use, by right, was to prevent the general introduction of multi-family residential development into single-family areas. Staff has included a recommended condition of approval that reiterates the Code requirement that either the principal dwelling, or the accessory dwelling, must be occupied by either the property owner or their immediate family member, in perpetuity.

Sample Motion to Approve:

I note that the Planning and Zoning Commission has considered all relevant factors, including, but not limited to, those set forth in Casper Municipal Code Section 17.12.240(H), and find that the conditional use permit meets the two (2) findings required by Casper Municipal Code Section 17.12.240(G). On that basis, I move to **approve** Case #PLN-20-038-C, with the two (2) conditions stated in the staff report.

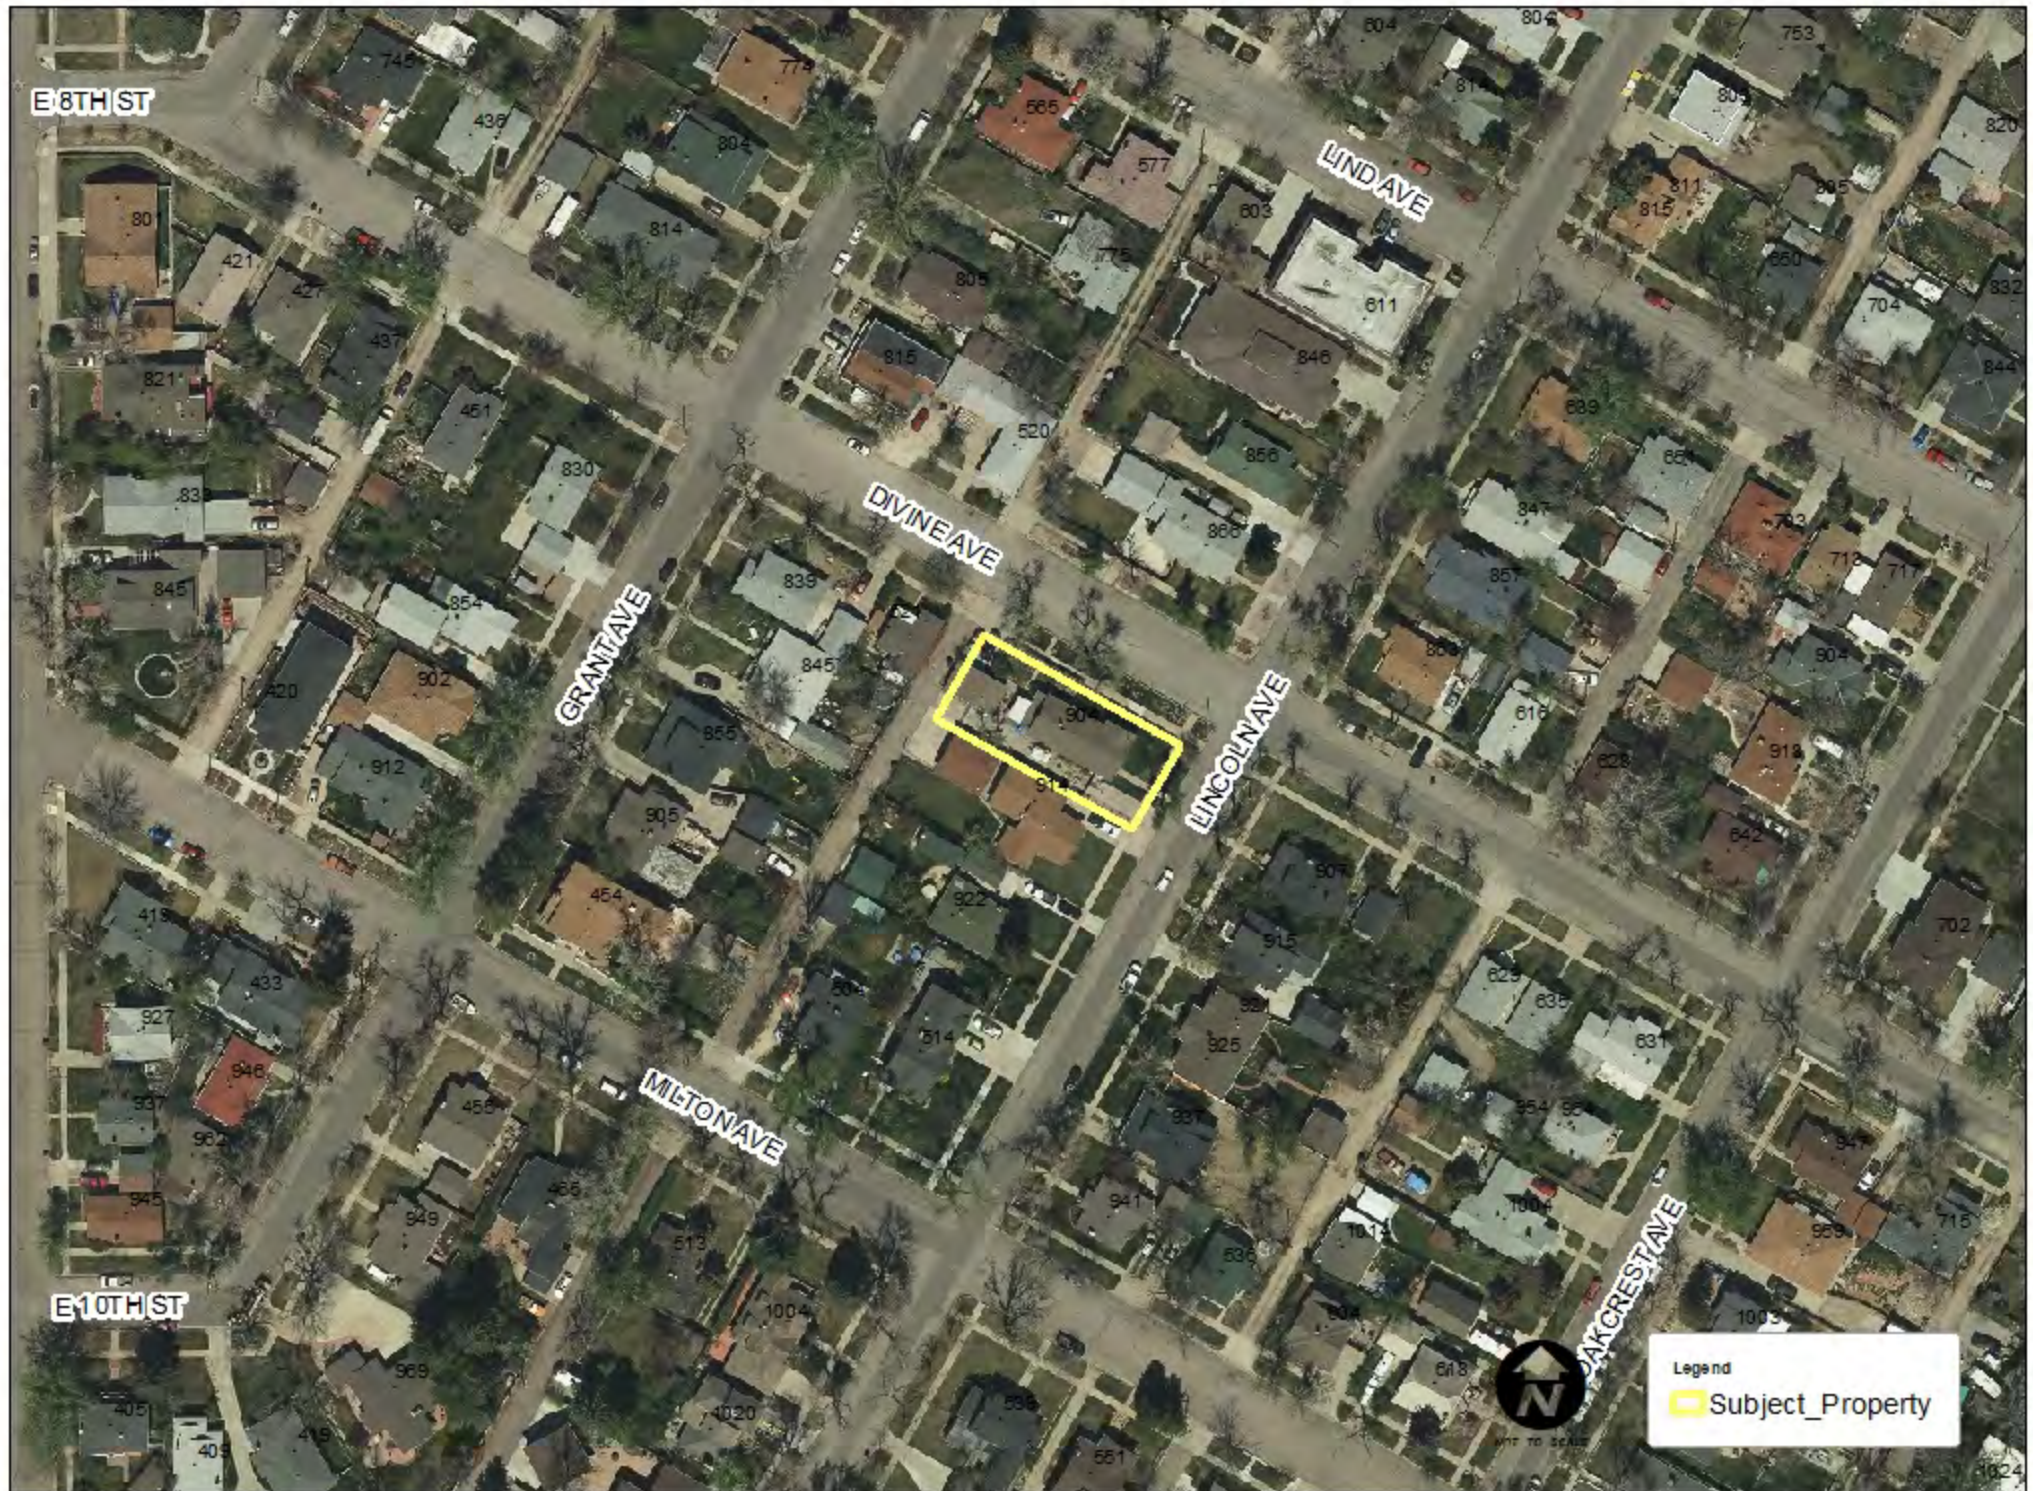

Sample Motion to Deny:

I move to **deny** Case #PLN-20-038-C, because the Conditional Use does not meet the two (2) findings required for approval under Section 17.12.240(G).

CASPER HISTORIC PRESERVATION COMMISSION
MINUTES OF THE REGULAR MEETING
November 9, 2020

In attendance: Maureen Lee, Connie Hall, Anthony Jacobsen, Robin Broumley, Ann Berg, Paul Yurkiewicz, Carolyn Buff, Pinky Ellis, John Lang

Absent: Jeff Bond

Staff: Liz Becher, Community Development Director
Craig Collins, City Planning Department

Liaison: Terry Wingerter, Planning and Zoning Commission

Guests: None

Maureen Lee called the meeting to order at 8:30 a.m., Via Zoom over the internet, as necessitated by the Governor's social distancing guidelines.

Approval of Minutes

Maureen Lee asked if everyone had read the minutes of the October 19, 2020 meeting and asked if there were any corrections.

Connie Hall moved to approve the October 19, 2020 minutes. Motion was seconded by Robin Broumley. Motion passed unanimously.

Introduction of Guests

There were not any guests in attendance.

New Business

OYD Art Project

Liz advised that the Old Yellowstone District (OYD), Advisory Committee and property owners, are working on a grant through the National Endowment of Arts. This grant will enable them to place some pieces of art along West Yellowstone. The City will be submitting the grant on behalf of The Old Yellowstone District Advisory Committee and OYD property owners. She noted that there will be a partnership with the Historic Preservation Commission, the Disability Council and

Art 321. A walking tour will take place later today looking at possible locations. This will be open to all Wyoming Artists and they are looking for art with an emphasis that is pertinent to this area.

Website Consultant Update

Craig met with a consultant to get bids for updating the website with a one-time revamp of the webpage and to meet with the subcommittee, every couple of months, to keep it updated. He also asked them to look at our social media to keep all of it working together. He advised that money could be found for this consulting work in the Planning Division budget.

Old Business

OYD Committee Update

Maureen advised that per the Agenda the last meeting was held October 5, 2020 and the next meeting will be November 23, 2020. She stated that there probably was not anything to report. Liz advised that the art project meetings have been held since the October 5 Committee meeting.

P&Z Commission

Terry Wingerter, Planning and Zoning Liaison, advised at the last meeting, a proposed replat had been continued to the December meeting to enable the two parties to work out some issues. Another item considered was a zone change on Robertson Road, for a proposed coffee shop.

Demolition Permits Burlington Avenue Properties

Liz presented photos and advised that all properties are in the same general area and six (6) structures will be demolished. Maureen asked for addresses of the structures. Liz stated the addresses are 1034, 1100, 1118, 1126, 1140, 1126 1/2 Burlington Avenue. Connie asked what was the purpose for demolishing the properties? Craig stated the purpose was to redevelop the area. Maureen asked if a demo permit was issued for T-J's bar and grill. Craig advised that TJ's Bar and Grill located at 2024 CY Avenue was issued a building permit to demo some walls. He noted that the building was constructed out of cinderblocks, with no historic value and it will be replaced with a barn style structure, that will be selling meat and liquor.

Sub-Committee reports

Strategic Plan Implementation

Craig stated this item is a placeholder. He noted that the website item will check off an item regarding implementation of the plan. He, also, referenced a grant application sent to the State Historic Preservation Office (SHPO) to identify, survey and document African American historical

assets that warrant preservation and recognition, and to facilitate future Historic Register listings. Craig noted this was another item listed on the check list of the Strategic Plan.

Ghost Signs (John and Connie)

John stated he had a video to show all of the ghost signs with music. He was unable to present it during the meeting, but will get it to staff to be presented next meeting. Maureen asked about a ghost sign that is being blasted away at the Nolan project. Liz advised that the Milos Auto ghost will be preserved. Liz asked Anthony to address ghost signs at the Nolan project. Anthony advised that they are trying to preserve what they can within that building. Paint is being cleaned off the brick and should ghost signs be found they will be preserved. Liz displayed some photos of the tile and a Packard's ghost sign within the Nolan building.

Brochures and Mobile App (Paul, Jeff, Ann and Robin)

Paul stated that he had contacted Charlotte Gruner, a Computer Science Instructor, and Jeff Sun, GIS Coordinator with Casper College about the app. There was interest in both areas about doing a community project. Paul noted that this is still in the development stage and there is no timeline. Paul suggested that Anthony connect with the GIS Dept at Casper College to aid with his mapping efforts.

GIS map of historic properties and surveyed properties for website (Jeff and Anthony)

Anthony advised that he did not have any new information for an update today.

Field Visits/Tours (Robin and Connie)

Robin had a tour scheduled for last month that did not take place. She stated that tours should be put on hold during the COVID Pandemic

Website (Maureen and Paul)

Maureen stated that nothing has happened with the website. Craig advised that the consultant will work with directly with the subcommittee on the webpage.

Social Media/Outreach/Education (Maureen, Paul and Ann)

Maureen advised that last month there were 213 likes and 214 followers; she checked today and there are 216 likes 227 followers. She has contacted Dan with Oil City News and the Casper Star-Tribune, but not heard back from them. Paul has enlisted the help of a friend that will go take some photos of buildings downtown to be placed on the Facebook page. He noted they were waiting for warmer weather. Craig asked Maureen if she had a chance to reach out to the Community in Colorado. Maureen advised that she had not had a chance to reach out to them.

Other Business

Terry advised that St Anthony's Church is 100 years old this year.

There was discussion about the opening on the Historic Preservation Commission.

Next meeting will be December 14, 2020 in Council Meeting Room, 200 North David Street.

*Connie Hall made a motion to adjourn, and the motion was seconded by Robin Broumley.
The motion unanimously passed.*

Meeting adjourned at 9:20 a.m.

Respectfully submitted,

Dee Hardy
Administrative Support Technician

OLD YELLOWSTONE DISTRICT ADVISORY COMMITTEE MEETING

Monday, November 23, 2020

Via ZOOM

The OYD held its monthly meeting at 4:00 p.m., on Monday, November 23, 2020.

Members Present: Fred Feth, Vice Chairman
Patty McKenzie
Linda Wolcott
Bob Hopkins
Karen Meyer
Steve Freel (arrived late)

Members Absent: Carol Martin, Randy Hein, Philip Rael

Liaisons Present: Renee Hahn (ARAJPB), Connie Hall and John Lang
(Casper Historic Preservation Commission)

Staff present: Liz Becher

CALL TO ORDER

Vice-Chairman Feth ascertained a quorum and called the meeting to order at 4:20 p.m.

APPROVAL OF OCTOBER 5TH MINUTES

Vice-Chairman Feth asked for the approval of the October 5, 2020 meeting minutes. Councilman Hopkins moved to approve the minutes, Ms. Wolcott seconded. All voted aye; minutes were approved as written.

OLD BUSINESS:

State Office Building Update

Ms. Becher reported that the contractor for the project is participating in the weekly meetings on the Midwest Avenue reconstruction. They have about 80 employees who park near the job site each day, and Ms. Becher has requested that they do not park on Midwest because of the street project, nor block parking in front of the area businesses. A section of the State property will now be designated for the contractor employees to park.

Artwork for the OYD

Ms. Becher reported that the sub-committee has met about the art project for W. Yellowstone. The members include Carol, Renee, Tom Heald, Phillip, Randy, Connie & John, as well as Tina Gollnick (with City Parks), Tyler Cessor (ART 321), and Linda John (Casper's Council on Disabilities). The members will meet for a field trip to determine a location for the art piece, and begin to write the Request for Art proposal.

Midwest Avenue – Phase 2

Ms. Becher reported that Phase 2 (Elm – Walnut) reconstruction is going very well with the contractor, 71 Construction. They, and their subcontractors, have been communicating with the neighborhood businesses personally instead of reacting to calls. Weekly project status meetings are held each Tuesday at 3:00 at the Health Department.

Committee member renewals/appointments

Ms. Becher reported that Carol, Linda, Karen, Phillip, and Patty have re-applied, and Tyler Cessor (ART 321) and Jamie Haigler (Noland Feed) will be new applicants. Council will approve the appointments at their December 15th meeting.

NEW BUSINESS:

Property Activity in the OYD

Updates were shared about interest in the vacant land at Poplar and Collins; activity with the former Stalkups property (to include the removal of the dirt pile from the NCHS pool project); and the in-river project across from Jonah Bank.

OTHER BUSINESS

Historic Preservation Liaison Report

Ms. Hall reported that the subcommittees have been busy documenting ghost signs in Casper, producing a video, implementing the strategic plan, working with the Casper College GIS department to develop an app for historic buildings, and updating the HPC webpage. The HPC has one opening on their Board.

ARAJPB Liaison Report

Ms. Hahn reported that there is no new development at Platte River Commons.

Christmas Parade

Councilman Hopkins reported that the annual parade is a “go” for this Saturday.

Next Meeting

Ms. Becher and Councilman Hopkins are making plans for a Christmas get-together for the Committee (dependent on the health orders). Stay tuned...

ADJOURN:

A motion to adjourn was made. The business meeting adjourned at 4:55 p.m.

(Minutes prepared by Liz Becher)
Respectfully Submitted,

Steve Freel
Chairman
